## ACKNOWLEDGEMENT.

Kikandwa Primary school, Parents and the Community at large wish to extend their Sincere gratitude to thank TWAM for the donation given to them on the side of scholarstic materials like: Wallets, note books, books set, Coloured pencils, pencils, pens, rubbers, rulers, Calculators, text books and others.

We also thank Dr. Mike Roberts for paying for the shipment Costs and taxes because through him, we managed to get our donation fully without getting lost on the way.

We more so, thank Kikandwa Rural Communities Development organisation (KIRUCODO) and the friends especially the Director Mr. Kibaya Robert for robing all these donations to our school.

Indeed our school has developed and its still developing on the side of academics.

We pray that God may bless you and your friends where they have removed all these, to replace and give you more than these. We wish you the best in all your endeavours.

Yours - faith fully  
Kikandwa P.S.
