## ACKNOWLEDGEMENT

Kikandwa Staff wishes to thank TWAM for the precious donation that was given to us concerning the standards of our school. We thank you very much for the scholarstic materials that we received on our side and pupils.

It has simplified our duties as teachers even on the side of parents because most of them were not affording to buy them.

We also thank Mr. Kibaya Robert for robing all these donations from his friends like Dr. Mike Roberts of UK and others.

May the almighty God bless them and give them furtunes and abandant lives.

All from Kikandwa Staff.

Thanks very much.
